DISTRIBUTORSHIP

Alpha Wax BV is proud to announce that, as of 1st January 2023, will become the only official distributor of Shell GTL Sarawax SX105 for Shell Malaysia (SMDS) in Europe and Turkey.

Alpha Wax has over two decades of history of success and continuous innovation in the wax industry, which led to the establishment of a strong and world-wide distributorship of waxes. In 2020 Alpha Wax joined the **AWAX** Group, gaining access to the most advanced custom-blend facilities and an expanded network of R&D specialists.
